The Shelton State Community College Mace

This symbol of academic excellence, career technical achievement, and community service was completely designed and constructed in 2003 by Sam House, Ron Estes, and Jamie Lindsey, students in computerized numerical control. The College will be forever grateful to these students and their instructors, Jason Moore and Ronnie Guy, for their insight, skill, and dedication to Shelton State.

During commencement exercises, the bearer of the mace and the grand marshal for the procession is the faculty member named as the recipient of the Dr. and Mrs. John Todd Award for Exceptional Achievement in Teaching.

Academic Ceremonies and Regalia

The pageantry and color of academic ceremonies date back to the Middle Ages; the long-standing tradition of formal procession, music, and custom honors the dignity of the occasion. However, current practices for American colleges and universities were fixed by convention beginning in the late 19th Century and subsequently revised three times, most recently in 1986. Typically, three types of gowns are worn corresponding to the degree held by the recipients. Baccalaureate and master's gowns are distinguished by the sleeves and hood size; doctoral gowns are velvet trimmed. Caps are traditionally black, and a gold tassel on the doctoral cap replaces the black tassel on the baccalaureate and master's caps. Hoods bear the colors of the institution granting the degree and are trimmed with colors associated with the wearer's academic discipline. Colors you may see worn by faculty in today's commencement exercises and the academic discipline are as follows:

Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Journalism	Crimson
Library Science	Lemon
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including Foreign Service	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron
Theology	Scarlet

You are requested to refrain from applause and congratulations for individual graduates until all graduates have been acknowledged. Such expressions detract from the recognition due the next graduate in line. Your cooperation is appreciated.

It is the official policy of the Alabama Department of Postsecondary Education, including all postsecondary institutions under the control of the Alabama State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.

Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Associate in Arts, Associate in Science, and the Associate in Applied Science degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call 404.679.4500 for questions about the accreditation of Shelton State Community College.
